

## Launch - SharkTank

### Event Description:

I knew that if I failed, I wouldn't regret that, but I knew the one thing I might regret is not trying. – Jeff Bezos

What if you had the power to revolutionize markets, be the next Elon Musk?

6 years ago, India had 500 Indian startups, today the number stands at 80,000. A whopping 15,400% rise. Entrepreneurs and leaders of tomorrow, we invite you to come participate!

Rise to this occasion and test your products' competency in this simulation of real-world markets. Face off against sharks and pitch as to why your product would be the next big thing.

Having a great product doesn't mean that your customers will see it. Boost creativity and innovate ideas to market your message across. Demonstrate the value of your product. Fill the valleys of need in the market.

Join us in the tank and see if you can get one of the sharks to bite!

THEME: Climate Change

### Guidelines:

- The competition will be conducted offline.
- It is a team event. There can be a maximum of three participants in a team.
- The teams should come up with an innovative idea related to the theme given.  
THEME: Climate Change
- The idea can be about a new product or service.
- There must be a PPT presentation explaining the various aspects of their innovative idea.
- The team must also be able to convince the sharks about the feasibility of their idea.
- Name of the product, Logo, Tag line, SWOT Analysis, Cost-Price Analysis, Market share etc. are expected in the presentation.
- The event consists of a Power Point Presentation by the team (max time limit: 10 min) and a Q & A Session with the judges (max time limit: 10 min)

## Find X

### Event Description:

A fun filled hunt which will take you on a wild cryptic and interactive journey, and give you the opportunity to use their critical thinking and analytical skills. commit to the moment of discovery, to the thrill of the chase and to the near audible click that happens when you make the shift from confusion to clarity. The satisfaction when, what seemed an impenetrable riddle becomes a clear set of directions. It's the moment when someone suddenly says, "I've got it".

### Guidelines:

- This contest/event is for Grade 9-12 and is a group task.
- A group with 4 participants has to be formed by students from the same institution. Students can be from any grades 9-12. Diversity in grades is encouraged to ensure an equitable competition.
- There will be 10 levels. Questions start with easy in the First level and progress up to the most difficult at the final level. Teams will be given an initial cypher which they have to decrypt and solve, which will lead them to the next question.
- Questions will be based on Mathematics: which could either be a Riddle, a Match, an MCQ, or an activity.
- This event would be time based. You may need to roam and search around entire school premises for finding the person to get clue. The teams would be ranked based on time taken for completing all the 10 questions.
- Follow the steps:
  - Step 1: All groups will be tested with common question. Whichever group gets to the answer first can move to Level-1. Group will be given a clues and hints to find the person having a next question for Level 2.
  - Step 2: Find the person and get the 2nd level question, submit the answer and get another clue to find a person to collect level 3 question.
- In this way, all 10 level questions should be done.
- Whichever the group finds last answer or last level will be announced as winner.
- Duration: 1.5 Hours

## **Ikebana**

### **Description:**

One arranges flowers as the spirit moves you; to obey some inner prompting to put this color with that, to have brilliance here, line there, a sense of opulence in this place or sparseness in that; to suit your surroundings, your mood, the weather, the occasion. In a word, to do as you please, just as, if you could, you might paint a picture.

— Constance Spry

Join us to explore the idyllic joy of mother nature, of the universe and of the invisible, through flowers. Discover the allure of simplicity. Get ready to let your talent bloom through flowers!
